VP Health and Wellness: Revamping Form

- Advertise to chapters, providing women in our community resources

Bylaws Change Feedback:

- “Each Panhellenic Chapter will be required to host a minimum of two philanthropic events per academic semester, including but not limited to on-site events raising money for a philanthropic organization, joint events with fraternities to raise money for philanthropic organizations, and off-site chapter volunteer trips to benefit philanthropic organizations.”
 - Chapters Responses: how will events be monitored/ counted? (no specific amount of members need to be present), is there a need for it to be in the bylaws if most chapters already follow this rule? (to be able to enforce)
 - PUT TO A VOTE NEXT MEETING
- New Education Requirement: “Health”
 - The reason we think this is a good idea is because the previous three just weren’t getting all the aspects of education that PHC wants and that the community is

interested in. The Community Development Requirement was being used as a catch-all for any event, and that's not fair to our VP Community Development, who is working so hard to further our community. We should take Community Development seriously and give it its distinct place. So, then, I thought to just shorten the list of things that would be approved for CommDev. But I realized I was cutting out really important stuff - workshops on the female body, sex, mental health, etc. There's a need for and an interest in all four Education requirements, so I think we should just standardize the practice. Resources to fill the requirements are easily accessible to the chapter - CommDev reps and Health Workers can present to fill the requirement.

- Basically adding a 4th requirement so that each category important to our community is addressed
- Chapters Responses: attendance issues in regards to mandated events (Benni is providing more opportunities to attend other events to reach attendance mandates)
- PUT TO A VOTE NEXT MEETING

J-Comm, what is the process and details? (Maria)

- Looking to have the delegates to be J-comm

- Greeks Against Sexual Assault (GASA) is hosting a film screening of the upcoming documentary, "LIBERATED" on Feb 27th from 7-10 PM. The film uses spring break as a microcosm of sexual violence in our society, and after the screening, there will be a panel discussion with the producer, the director, two of the main characters, and a few of us from the campus community. **Because of the prevalence of sexual violence and related issues in our community, I strongly advise that you all come!** (And bring your friends/other exec members ;)) This is a big deal and a big opportunity to learn more about this issue, regardless of your past experience. **Please share the Facebook event with your chapter's FB page if it hasn't happened already and click "going" to spread the news!**

8. Vice President of Scholarship, Riley Shanahan, phc.scholarship@calgreeks.com

- LinkedIn photoshoot on March 3rd between 2-5 pm
 - Photos per person will likely only take 1-3 minutes, so women will be able to sign up for a "time frame" just so they can get a sense of when will be most busy. They can always change last minute and go to a different time.
 - Photos will be available after the photo shoot within one week.
 - PLEASE post in your pages or send something out to ensure people are aware this is happening. Getting professional photos done is pretty expensive and this is great during recruitment for internships/full-time jobs

9. Vice President of Sustainability, Ella Griffith, phc.sustainability@calgreeks.com (707-548-9092)

- Make sure your chapters are filling out the survey by Jessica sent to the Sustainability chairs, I can send email to delegates as well

- Important for y'all to know what the city of Berkeley requirements are for waste sorting expectations
 - [Here is City of Berkeley Rules](#) → go to Compliance, section 6
 - "Provide information at least annually to employees, tenants, and contractors describing how to properly use the recycling, garbage, and organics containers, as well as no later than 14 days after move-in and no less than 14 days prior to move-out of tenant businesses."
 - This is something I will be looking to incorporate more into our bylaws because they are a part of the law in the city of Berkeley

10. VP of Community Development, Nanita Balagopal, phc.development@calgreeks.com (626)-390-5869

- Get prepared for your reps presentations -- also will be getting an email from me to schedule big com dev presentation
- March 21st ROUNDTABLE
- IFC update -- in process of making it requirement for IFC chapters to have com dev presentations and reps

11. Vice President of Health and Wellness, Benni Cinkle, phc.wellness@calgreeks.com

- Going to re-do the Reimbursement/Product Form after getting some feedback! Essentially I will have a form for only the Health Workers to fill out. If a woman needs a product, the HW can reach out to me and I will get it to her ASAP. This is to prevent people from abusing the form; hopefully, they'll only reach out when it's actually an

emergency. I would really appreciate y'all bringing this up at chapter meeting and getting feedback for a few minutes. This is NOT a stock-up-on-free-Plan-B program. This is for women who are in an emergency and can't afford the product themselves. I also provide pregnancy tests and will help with the cost of STI testing in the case that women cannot afford these things themselves. There was a lot of confusion about this, so please make it clear. If you could bring this up at your meetings and just take notes on the feedback and send it to me in an email, that would help me a lot!

- **#TheRealWomenofPHC is tomorrow!!!!!! Please share the event with your chapter and offer points if they go!**

- **Event description:** "It's time to put the concept of 'instal-worthy' to rest. It's time to start showing the world that what's important isn't that we look happy, but that we are happy. Come to Kroeber on Thursday, February 22nd from 9am-12pm to take a photo to show what your genuine happiness looks like. Come dressed in what makes you feel the best - full makeup, no makeup, sweats, heels, slippers, whatever empowers you. We'll take your photo to show what the Real Women of Panhellenic look like - we're not always put together, we all look different, and we love it. Our happiness comes from within, no longer from our Instagram likes."
- Planning a self-defense class for PHC, limit 40 women, if your chapter is available to host this event I can reserve 10-15 spots for the women in your chapter! Thinking March 21 or 22

12. Head Recruitment Counselor, Catherine McGuire, phc.hrc@calgreeks.com

- There are now 60 RCs!!
