  - Community Development reps --- please announce to them to reach out to me if they were not involved in the past semester. I want as many voices heard!
  - LGBTQ+/ queeks Roundtable next month

- Post-recruitment discussion at VPM roundtable
9. Vice President of Sustainability, Ella Griffith, [phc.sustainability@calgreeks.com](mailto:phc.sustainability@calgreeks.com)
- Joint IFC/PHC roundtable went really well. Here are the major agenda items:
    - Please let your members know that they should be on the lookout for recycling at fraternities. All chapters are required to have bins for parties.
      - In addition, encourage your membership to ask for them if they are not out or let me know if they see a fraternity that does not have them. We don't have eyes everywhere
    - Re-envisioning Greening the Greeks: Please have your chapters fill out [this feedback form](#).
  - Partnering with a local Bay Area business to order reusable solo-sized cups for the sororities. More details to come in the future.
10. Vice President of Health and Wellness, Benni Cinkle, [phc.wellness@calgreeks.com](mailto:phc.wellness@calgreeks.com)
- Please make sure you share with your chapters that if they want to help out with Wellness Month they should fill out the Google Form from last meeting! We need people to lead hikes, roundtables, etc. It is a really good way to be a leader and show off your skills/expertise to the community. <https://goo.gl/forms/kPjDGDk939BRVnyi1>
    - Right now we definitely need some women to lead a hike to the Big C on Friday, Oct 5th - preferably in the morning.
11. Head Recruitment Counselor Interim VP Scholarship, Catherine McGuire, [phc.hrc@calgreeks.com](mailto:phc.hrc@calgreeks.com)

12. Sorority Life Advisor, Alex Richards, [alex.richards@berkeley.edu](mailto:alex.richards@berkeley.edu)
- **Recruitment for Sexual Harassment Study:**
    - Researchers in UC Berkeley's School of Public Health are partnering with the [PATH to Care Center](#) to better understand factors that contribute to sexual harassment at UC Berkeley and in other institutions of higher education. We invite you to assist with this effort by participating in a 1.5 hour-long research study session consisting of two parts. In the first part, you will hear about how sexual harassment can be defined and have the opportunity to pose any

questions. In the second part, you will privately share in writing – using a confidential online form – stories of sexual harassment in higher education academic environments that you have either personally experienced, witnessed, or heard about from someone else. You may also describe situations in which you have participated and are concerned that you may have engaged in behaviors that could constitute sexual harassment.

- All UC Berkeley faculty, staff, students, and post-docs 18 years of age or older are eligible to participate. Participation is voluntary. Upon completion of the study, participants will receive a \$10 electronic gift card to Peet's coffee. Participants will have the option of attending an in-person or online research study session conducted at a time that is convenient. For in-person sessions, participants will be homogeneously grouped by gender, whether they are faculty, staff, students, or post-docs, and by level (e.g., associate professor, assistant professor, full professor, emeriti professor, adjunct professor, or lecturer for the faculty group, supervisory or non-supervisory for the staff group, and undergraduates or graduate students for the student group).
  - Your data will be collected as confidentially as possible, and we will not be reporting any incidents to the Office for the Prevention of Harassment and Discrimination.
  - Please consider being a part of this initiative to understand better how we can protect our campus community from sexual harassment and improve the campus experience for everyone.
  - To sign up for this voluntary research, please click on the link below, follow the instructions provided including completing the informed consent document and filling out a brief form:
